Come Grow With Us

We, at West Los Angeles Christian Center, are committed to equipping people to grow so that they can be the ones who cause the growth of others (Ephesians 4:15-16).

“Come Grow With Us” has a two-fold meaning:

1. We will encourage each other to find, pursue, and fulfill our God-given callings (individual growth).
2. We will encourage others, who are currently not involved, to witness and take an active part in the growth of His Church (corporate growth).
Come join us as we allow God to cause growth in you and others around us.

West Los Angeles Christian Center has been located in the heart of Culver City and West Los Angeles since 1935. The church is a member of a national organization called Grace International (gracechurches.tv). This organization, which was established in 1933, is composed of Spirit-filled churches throughout the United States and other parts of the world. West Los Angeles Christian Center depends on this organization for valuable oversight, leadership training, and fellowship.

What Do We Believe?

“Our beliefs are simple and biblical”

We believe in:

1. **The Triune God** — there are three persons (Father, Son, and Holy Spirit) yet still only one God.
2. **The Virgin Birth** — Jesus was conceived by His mother, Mary, by the Holy Spirit. The seed came from God and not Joseph, His natural father.
3. **The Crucifixion** — Jesus died on a cross at the hands of angry sinners, like you and me. His purpose was to accomplish His Father’s will of reconciling all mankind to Himself.
4. **The Resurrection** — Jesus rose from the dead. His resurrected life is in us because we have called on His name and been raised with Him for all eternity.
5. **The Holy Spirit** — God works in His people today through the Holy Spirit. Just as in the days of Acts, God continues His work in us and assures our future by giving us the transforming and life changing power of His Holy Spirit.
6. **The Institution of Marriage**—Marriage is a sacred institution ordained by the Lord God Himself from the very beginning of human history. Marriage is between one man and one woman. Any other definition of marriage is contrary to the clear teachings of the Holy Bible and against the expressed will of God
